eg. 10 bottles with the same "I'm Speaking" on one line in one location would be \$12/each (30+ would qualify for discounts, min cost \$9/bottle). This would be the '1' images below

10 bottles with 2-4 Lines of text in two different locations on bottle would be \$18/bottle, quantity discounts possible with a min of \$12/bottle .

GLASS ENGRAVING

WITH THE EXCEPTION OF CHAMPAGNE BOTTLES (AND ANY OTHER PRESSURIZED BOTTLE), EVERY SURFACE MADE OF GLASS IS ABLE TO BE ENGRAVED. FOR ITEMS THAT WON'T BE WASHED OFTEN, WE SUGGEST A GOLD OR SILVER FILL. THE NUMBER NEXT TO THE BOTTLE INDICATES THE COMPLEXITY OF THE PIECE, 1 BEING QUICK AND 3 BEING TIME INTENSIVE.

WINE BOTTLES

LIQUOR BOTTLES

GLASSWARE

DECANTERS

ENGRAVING ON OTHER SURFACES

IT IS SAFE TO SAY THAT MOST METALS, SLATE, AND CERAMIC CAN BE ENGRAVED. IF THERE IS AN UNFAMILIAR SURFACE, WE MAY REQUEST A SAMPLE OF THAT PRODUCT TO CONFIRM IT CAN BE ENGRAVED TO OUR STANDARDS BEFORE COMMITTING TO A PROJECT.
